## Education State Fund Budget for 1899-1900.

In this Budget as originally submitted by the Inspector General of Education, with his letter No 9329 dated 18<sup>th</sup> May 1899, and as per corrections made in this office, as requested by the Inspector General in his letter No 9399, d 23<sup>rd</sup> Idem, the Receipts & Expenditure are estimated as follows:

|             | Estimate<br>1898-99<br>Rs | Estimate<br>1899 1900<br>Rs | Difference |          |

for 1898-99

(2). The foregoing figures are inclusive of an additional grant of Rs 5234-8-0 or Rs 5235/- sanctioned to supplement the Budget for 1898-99, the amount being the cost of the Gas Engine and Dynamo Installation set up in the Central College, Bangalore. (Please vide under IX "General" against Furniture and Apparatus"

(3). The grounds of increase and decrease are fully explained in the memorandum accompanying the Budget.

The only addition to receipts is made under the head II "Proceeds from sale of Books etc." this may be accepted. All the other items have been estimated at the same figures as those adopted for the current year.

The increase in Expenditure under the heads "Direction," "Inspection," "Instruction in Colleges and High Schools," and "Book Department (I, II, III & IV)" is estimated at Rs 22,428/- This is chiefly due to the following causes —

(4) The Revision of the Higher classes of Educational officers sanctioned in Govt Pro No 10223-5 d 5th March 1899,

- - - " The Revision of the office of the -  
1-ly of Edn sanctioned in Govt Pro No 1929-30,  
dated 9th August 1898 <sup>Ed 230</sup> <sub>Ed 51-96</sub>

- - III Promotions sanctioned to the Head  
masters and assistant masters of Chik  
ballapur & Channapatna High schools and  
to the Assistant masters of the Shimoga  
College as per G Pro No 1971-2 d 10th August,  
1898 <sup>Ed 52</sup>

- - IV Additional hand to the Chikma-  
galur High school sanctioned in Govt  
Pro No 9166-7, d 7th Feb 1899.

II Increments earned by all classes  
of Educational officers including

- - - - (a) Pandits and Munshis  
of Colleges and High schools,  
(b) Clerks in Colleges

III Scholarships to two M.A. students  
sanctioned in Govt Pro Nos 1843-5 &  
12701-3 d 6-8-98 & 8-5-99, respectively  
<sup>Ed 48</sup>  
<sub>Ed 275</sub>

- - - - VII Increase of pay to the Rannada  
Translator which is raised from Rs 190/  
the pay of the former, to Rs 250, the pay of the  
present Translator appointed by Govt -  
Order No 9193-4, d 7 2 99 -  
<sub>ms 2033</sub>

- and VIII The savings caused by the arrange-  
ments consequent on the transfer of the  
Hd master of the High school, Chikmagalur  
to the Palace under G O No 16332-4, d 13/6/98,  
and the appointment of the <sup>Ed 428</sup> Head  
master of the Kolar High school as Translator  
Order G O No 9193-4 d 7 2 99  
<sub>ms 2033</sub>

- The increase under these heads is  
accounted for as above, is counterbalanced  
by decrease under the heads "Taluk  
schools", "Grants-in-aid" & "General"  
(IV, V and (X) amounting to Rs 29,648  
- This is mostly due to the temporary  
reduction of the Provision (1898-99) for  
Buildings from Rs 30,000/ to Rs 10,000/ which is

- the Normal provision, and to ~~the~~<sup>(the)</sup> exclusion from the estimates the special amounts sanctioned for 98-99 under the heads "Building grants-in-aid" and "General."

The estimated expenditure under the other heads "Oriental Library" and "Educational Library and Museum" (VII & VIII) show no variations.

remarks

(4) The Budget as estimated by the D. G. does not call for any special considerations. But he has, both before and after its submission, forwarded several proposals (as per Statement A attached) all of which are connected with it and deal with additional allotments under various heads.

Regarding the early submission of such proposals the attention of the D. G. was drawn, in G.O. No 3209/10 D-6<sup>Ed F246</sup> 26<sup>th</sup> September 1898, to the instructions conveyed in the Pro of Govt. Camp No 50-51 D 16<sup>th</sup> Oct 97 and also he <sup>Ed F2346</sup> was requested to strictly conform to them, as there was much confusion and delay in the disposal of the Education Budget for 1898-99, in consequence of his non-compliance with them. With all that, the D. G. submitted his proposals relating to 1899-1900 only at the end of April and <sup>May</sup> in the months of May and June as will be seen from the statement A.

(5) To the amount of expenditure estimated by the D. G., the following charges should be added -

Charges on account of certain proposals which were sanctioned since the submission of the Budget to Govt. These have been shown in the Statement B attached.

Inspector-General's Memo on the State  
Fund Budget Estimates of the Education De-  
partment for the official year 1899-1900

— Receipts —

The income from fees levied in Colleges  
and Schools is estimated at the same figure  
as for the current year, because the two  
First Grade Colleges and <sup>two</sup> District  
High Schools have suffered in attendance  
on account of the plague and it is not  
likely that the attendance of 1899-1900  
will rise above what it was in the  
commencement of 1898-1899. The receipts  
from sales in the Central and Branch  
Book Depots are estimated at Rs 25,000,  
which is Rs 500 more than the estimate  
for the current year. The other items of  
receipts are estimated at the same figure  
as those adopted for the current year.  
The total estimated receipts for the official  
year 1899-1900 amount to Rs 73,857.

(4)

Expenditure

The expenditure on Education sanctioned from the State Funds for the current official year is Rs <sup>6,16,001-9 0</sup> 6,16,001-9 0 and the expenditure for the ensuing official year is estimated at Rs <sup>6,08,841</sup> 6,08,841 which shows a decrease of Rs <sup>71,600-0 0</sup> 71,600-0 0. There are increases however under Direction, Inspection, Instruction and Book Department amounting in all to Rs 22,488. This increase is counterbalanced by a temporary reduction of the provision for buildings from Rs 30,000 to Rs 10,000 and by the exclusion from the estimates for 1899-1900 the special amounts sanctioned under the heads Building Grants - in-aid and "General" for the current year. The following table gives the amounts for each head of expenditure for the current and ensuing official years and the differences between the estimates for the two years.

#### IV Taluk Schools

There is a net decrease of Rs 20,24 under Taluk Schools. The different items of increase and decrease are explained below

(1) Anglo-Vernacular Schools The difference of Rs 996 between the amount of pay provided for teachers for next year and the same provided for this year is due to the transfer of the Hinduistan Boys' School at Channarayana of which the pay of teachers amounted to Rs 91 a month to the class of Anglo-Vernacular Schools with the addition to its staff of a pupil teacher on Rs 10, taken from the Government High School at the same place, to the increment

of Rs 3 due to a teacher in the Shemoga Anglo-Vernacular School and to the interchange of teachers between the two classes of schools

(2) The pay of menial servants shows an increase of Rs 96 over this year which is due to the pay of the Hindustani School referred to above, being brought under this head and the transfer of a sweeper from the Hindustani School at Srirangapatna to the Anglo-Vernacular School there

(3) The distribution of the amounts for House-rent and contingencies provided in this year's Budget proposed in the Inspector-General's letter No.  $\frac{2497}{86}$  dated the 18<sup>th</sup> September 1898 and sanctioned by Government Order No.  $\frac{6754-53}{Ed 15-8}$  dated the 28<sup>th</sup> November 1898 is as shown below:—

|                               | House rent | Contingencies |
|-------------------------------|------------|---------------|
| Anglo-Vernacular Schools — Rs | 2088       | 1370          |
| Vernacular Schools —          | 5932       | 3810          |

A rent of Rs 5 and a contingent allowance

of Rs 1 a month transferred to the head of Anglo-Vernacular Schools along with the other charges of the school, account for the increases in the amounts entered for House-rent and Contingencies for Anglo-Vernacular Schools

### Taluk Vernacular Schools

- (1) The pay of teachers amounts to Rupees  $(33192 + 38364) 71556$  which is Rs 2148 more than the amount in the current year's Budget of this increase Rs 48 is included in the lump sum provision of Rs 1116 entered in the current year's Budget for two girls' schools at Bhamrapete, Bangalore and at Chikmagalur. The remainder of the increase Rs 1500 is accounted for thus - —

- (a) Pay of a Mistress at Rs 50 a month transferred from the Maharani's Girls' School to Arya Balika Pathasala, Bangalore under Government order No. 14735-6 dated the 11<sup>th</sup> May 1898 — 600

- (b) Increase of pay of a Mistress in the Arya Balika Pathasala

from Rs 30 to Rs 50 sanctioned  
by Government order No  
3121-2 dated the 5<sup>th</sup> September  
Ed 78  
1898 —————

(c) Pay of a mistress at Rs 45 a  
month transferred from the  
Maharani's Girls' School to the  
Girls' School at Kolar as  
Head Mistress Government  
order No 6760-1 of the  
Ed 317-96  
29<sup>th</sup> November 1898 —————

(d) Pay of the Head Mistresses of the  
Government Girls' Schools at  
Bangalore and Shimoga at  
Rs 50 and Rs 30 respectively  
Appointed under Government  
order No 6760-1 cited above - 960  
Ed 317-96

2340

Deduct amount transferred  
to the head of Anglo-Vernacular  
Schools as explained above

840

Net increase Rs 1,500

(2) The increase of Rs 144 in the pay of  
menial servants is due to our addition

of Rs 240 on account of the pay of the servants in the girls' schools at Chamea, Bangalore and at Chikmagalur included in the lump sum provision of Rs 1116 for these schools and a transfer of Rs 96 to the head 'Anglo-Vernacular Schools'.

- (3) As stated under Anglo-Vernacular Schools the provision for house-rent is Rs 5932 and that for contingencies is Rs 3810 in the Budget for this year. A sum of Rs 180 a year has been sanctioned as house-rent for the Government Girls' School, Kolar by Government Order No. 7562-4 dated the 21<sup>st</sup> September 1898 <sup>Ed 182</sup>. The amount allotted for house-rent for the two new girls' schools at Bangalore and Chikmagalur is Rs 192 a year. A sum of Rs 60 is transferred to the head 'Anglo-Vernacular Schools'. The net increase in the amount of house-rent entered for next year is therefore Rs 312. The increase of Rs 24 in the provision for contingencies is caused by an addition

of Rs 36 on account of the two Girls' schools referred to above and a transfer of Rs 12 to the head Anglo-Vernacular schools."

(4) The amount for buildings has been reduced from Rs 30,000 sanctioned for the current year to Rs 10,000 the usual annual provision. The attention of Government is invited to the Inspector-General's letter no  $\frac{7104}{309}$  dated the 13<sup>th</sup> May 1899 about school buildings and building works to be provided for in 1899-1900. The annual provision in the budget estimates of Rs 10,000 has for many years past proved very inadequate. The normal provision should not be less than Rs 30,000.

(5) The appointment of mess E. & M. Ridsdale on a commencing pay of Rs 300 in place of Miss K. Vokins who was drawing Rs 500 sanctioned by Government order no  $\frac{3253}{Ed 51-96}$  dated the 7<sup>th</sup> September 1898, the transfer of two mistresses in receipt of Rs 50 and Rs 45 respectively from the school, the appointment of a Mistress

(11c)

on Rs 50 and the increase of pay of a Mistress from Rs 30 to Rs 50, sanctioned by Government order SP 6760-61  
Ed 7717-96  
dated the 29 - November 1898, reduced the expenditure of the Maharani's Girls' School from Rs 38,874 to Rs 36,174

#### V Grants-in-aid

The amount of monthly grants-in-aid has risen from Rs 69,228 to Rs 69,852 and the excess of Rs 624 is due to an increase of Rs 15 a month sanctioned for the Anglo-Hindustani School at Tanjore by Government order SP 529  
Ed 130  
dated the 18<sup>th</sup> October 1898, a grant of Rs 52 a month sanctioned tentatively for the Students' Home at Shimoga by Government order SP 1612-13  
Ed 7742-96  
dated the 29<sup>th</sup> July 1898 and the reduction by Government order SP 7762-3  
Ed 7742-96  
dated the 3<sup>rd</sup> January 1899 of the grant of the Mahomedan Students' Home, Mysore from Rs 30 to Rs 15 a month. The special amount

of Rs 7826 sanctioned for grants in aid of school buildings for this year is reduced to the usual provision of Rs 5000 for next year. The moiety of the cost of the Government Normal School, Mysore and of the Pundits' Examination <sup>entered</sup> for next year shows an increase of Rs 810 due to the increase in the cost of the Normal School which will be explained in the Village School Fund Budget for next year. These alterations reduce the estimate for 1899-1900 under Grants-in-aid by Rs 1392.

The monthly grant of Rs 70 withdrawn from the Sanskrit School at Chik Ballapur under Government order No. 5999-6000 dated the 7<sup>th</sup> November 1898 <sup>Ed 142</sup> is retained pending orders on the subject of opening another school in its place.

#### VI Book-Department

The only increase amounting to Rs 720 under this head is in the pay of the Translator which is raised from Rs 190 the pay of the former to Rs 250 the pay of the present Translator appointed by Government.

*Proceedings of the Government of Mysore,*

4 Under "Expenditure" the Inspector General has, both before and after the submission of the budget to Government, in his communications, as above, suggested the inclusion of additional grants under certain heads. Regarding the timely submission of such proposals, the attention of the Inspector General is drawn to the instructions conveyed in para 3 of Government Proceedings No 3209-10—Ed F 2 96, dated 6th September 1898, and he is requested to strictly conform to them.

5 The lists of probationary teachers in Taluk Anglo Vernacular and Vernacular Schools who are eligible for promotion received with the Inspector General's letter No 8444—273 dated 18th April 1899, are approved and the provision of Rs 1,140, (as per details in Statement A attached) required for that purpose is sanctioned.

6 The additional hands required for the Anglo Vernacular and Vernacular Schools at a cost of Rs 9 792 a year (as per details in Statement B attached) are sanctioned in accordance with the recommendations contained in the Inspector General's letter No 9085—307, dated the 11th May 1899.

7 The Inspector General has reduced the budget estimates for tall school buildings to the normal provision of Rs 10 000, but he has separately submitted for the consideration of Government a list of new building work and appropriations for incomplete buildings which will be required during the current official year, estimated at a cost of Rs 73 996 and has accordingly recommended that the allotment for buildings be raised to this figure. The amount proposed however being too large for appropriation in a single year the provision of Rs 30 000 made last year will be repeated for the current official year to meet the necessities of works more urgently required. The Inspector General is requested to submit as early as possible, a detailed statement of the allotments to be made out of this provision for (1) meeting the cost of the annual repairs and alterations to existing buildings, for (2) completion of buildings in progress and for (3) erection of new buildings.

8 For the reasons stated by the Inspector General in his letter No 5932—188 dated 8th January 1899 a writer for each of the High Schools in Channarayana Chitaldrug Chikballapur, Hassan and Kolar, seems necessary and their appointment is accordingly sanctioned. But their starting pay will be fixed at Rs 12 (per mensem) rising to Rs 15 after an approved service of three years. The cases of the two writers of the High Schools at Tumkur and Chikmagalur will be similarly dealt with. The necessary provision of Rs 720 a year is entered in the budget.

9 As regards the building grant of from Rs 6 000 to Rs 10 000 recommended by the Inspector General in aid of the proposed School for Europeans and Eurasians at the Kolar Gold Fields, it is observed that a grant of only Rs 6 000 or  $\frac{1}{3}$ rd of the cost of erection is admissible under the rules but, as a special concession, Government are pleased to sanction the maximum grant of Rs 8,000 together with a grant of Rs 1 000 for furniture in consideration of the fact that the Mining Boards have liberally subscribed Rs 10 000 and that the necessity for a school of the kind proposed has been clearly made out. The grant is conditional upon the total cost of the building being not less than Rs 18 000, and is further subject to the conditions prescribed in the Inspector General's letter No 9852—350, dated 5th June 1899. The normal provision of Rs 5 000 under the major head "Grants in aid" and against "Building Grants" is accordingly raised to Rs 10 410 to meet all requirements as shown below —

- (1) Rs 700 sanctioned in Government Proceedings No 14163 4—Ed T 26 96 dated 15th June 1899,
- (2) Rs 710, sanctioned in Government Proceedings No 697 98—Ed. 23 dated 12th July 1899,
- (3) Rs 8,000, provision for the proposed school at Kolar Gold Fields (building grant),
- (4) Rs 1,000, provision for the proposed school at Kolar Gold Fields,

*Education dated 28th July 1899*

A monthly grant of Rs 200 recommended in aid of the proposed school at the Kolar Gold field is also sanctioned with effect from the date the school is actually opened subject to the conditions laid down in the Inspector General's letter No 983-351 dated 5th June 1899 and Rs 2400 are accordingly provided in the budget therefor

11 Besides the above provisions certain additional charges which have been sanctioned upon separate references made by the Inspector General, have also been included in the budget as per details in Statement C attached
